

Changes fosters healthy families by equipping parents with tools and support to change their behavior.

Dear Donor:

As a partner in our community, you know the importance of healthy families. We are asking for your support for our yearly fundraising event.

Changes Parent Support Network is a non-profit organization established to provide hope and support to parents who are trying to bring peace to their homes. Many parents in the Northwest experience turmoil due to problems with their adolescent and adult children. We provided support, education and resources to the families of more than 330 individuals who attended Changes' support group meetings and seminars 3,465 times during 2010.

Our annual benefit auction "**FIESTA FOR CHANGES**" will be held on October 15, 2011, at the Seattle Center Rainier Room. This is a fun event of great food, enjoying the excitement of a silent auction, chatting with friends, and a brilliant live auction.

This year's event is shaping up to be exciting, but it lacks one thing: your donation. Your generous donation will make our event a success and will help us to bring peace to more homes in our community.

Thank you for considering our request and I will follow-up with a phone call.

Sincerely,

Marie Norton-Olsen
Auction Chairperson
